TOOTRIS provides employers with flexible and turn-key Child Care as a Benefit solutions. Support your working parents while mitigating losses due to absenteeism and churn.

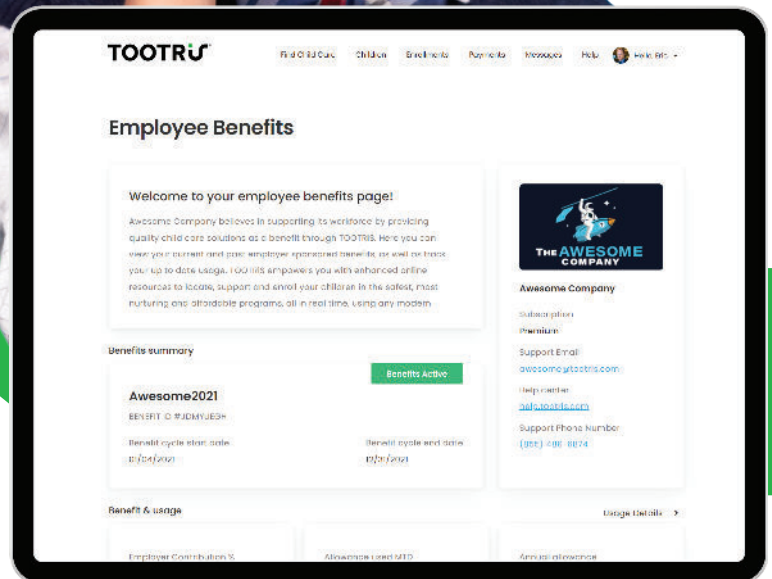

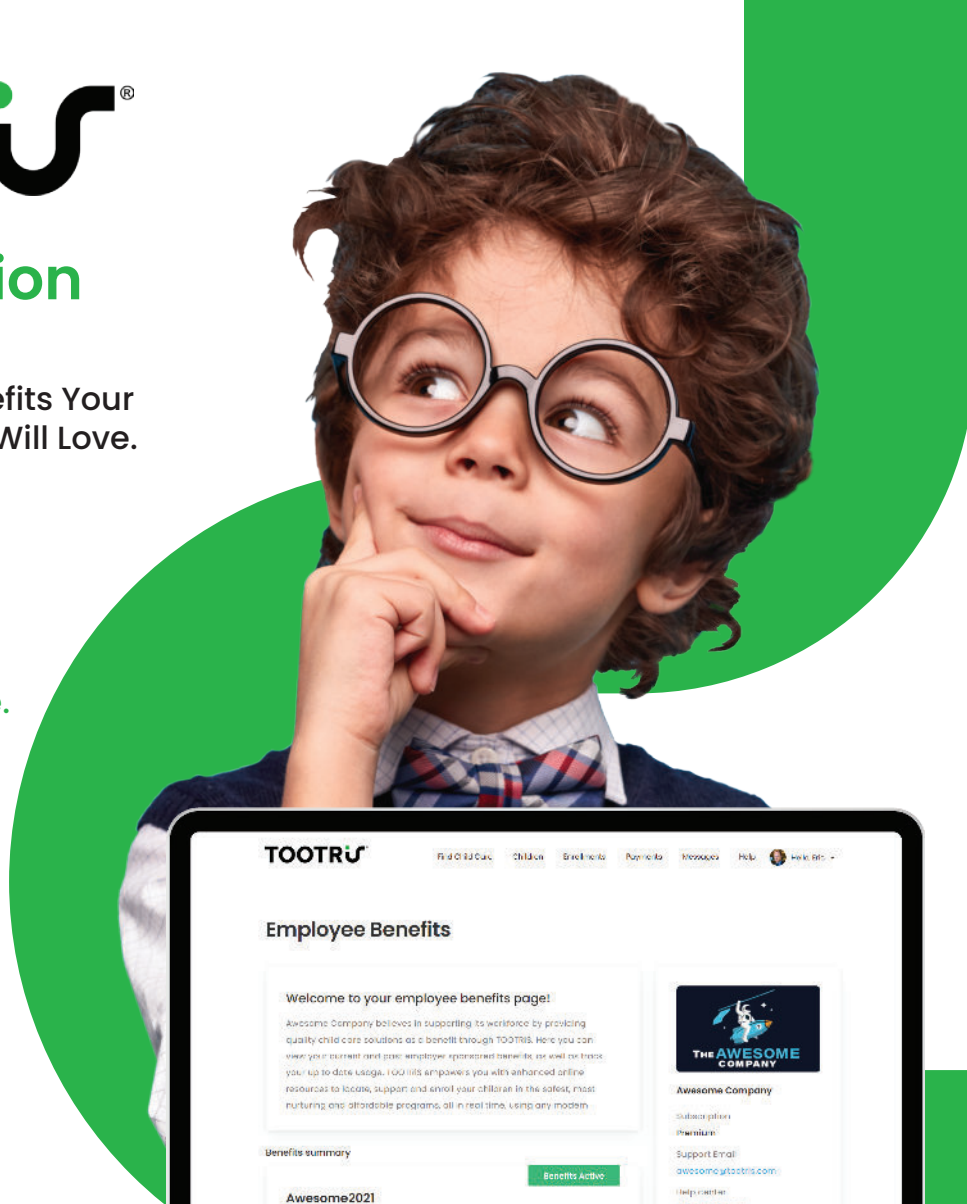

Implementing TOOTRIS solutions yields the highest ROI on human capital investment.

Child Care issues, such as high costs and limited access, impact workforce productivity, home/life balance, and employee retention. With TOOTRIS, employers can provide Child Care as a Benefit that offers working parents the tools and support they need to stay focused and perform their best. Businesses competing for top talent have quickly realized that investing in providing Child Care benefits is a rich proposition for their workforce, while yielding the highest ROI.

What TOOTRIS Clients Say...

"The child care problem is real. We partnered up with TOOTRIS to have a turn-key program that pairs up parents and providers so that they could find a solution for their child care needs. Employees don't have to worry, and their anxiety is a lot less, because now they know their children are in a space where they can thrive."

- Lilia Vergara, Director of HR, Dr. Bronners
